The regular monthly meeting of the LJKC was called to order by President John Cramer on June 6, 2010, at the home of Nan Dittrick and Ken Phipps. There was no report from the Board as there wasn't a quorum at the June meeting. The minutes of the regular May meeting were approved as read.

Treasurer Report: Lee Boyd reported on the account holdings. A profit of \$1,735.10 was realized from the last session of classes.

2nd Vice President Report: Jane Tusten stated that online registration for fall classes would begin on August 15.

New Business: Approval was given for Jane to order necessary ribbons for the Match.

John Cramer asked for approval of an ad for our October Match being placed in the Wichita/Salina catalog. It would cost \$50. Motion approved.

The Dalmatian Club requested that they be able to man the concessions at the October Match. Motion approved.

Jeanette Sheldon’s membership application was read for the first time.

There will be a presentation by a canine dental vet at the September meeting.

There will be a Match Committee meeting at Jane’s home on Wed., August 4 at 7 PM. Hope that everyone interested will come, so we can make this our only meeting.

Anyone interested in helping with enrollment (Sept. 15) and/or classes, please contact Jane Tusten if she hasn’t “knocked on your door” yet.

Braggs

CH Andover Mystic Flame, "Merlin" (English Setter), owned and handled by Deb Ashlock, finished his championship at the Seminole and Mid Continent Dog Shows in Tulsa, OK, over Memorial Day weekend (May 29 and 30). He went BOW both days for two 4-point majors. He also earned a Grand Championship point his first day being shown as a

special. It took 2 years to find majors but the wait was worth it!

Caveat's Tempesta di Raffaello, "Rafa" (Belgian Malinois), owned and handled by Deb Ashlock, went Winner's Dog at the Sedalia Kennel Club show on Saturday July 10. At 11 months he now has 7 points, 2 of which are majors.

Recalls

Pro-Pet DOG Vitamin Recall: http://www.upi.com/Science_News/2010/06/23/Pro-Pet-dog-vitamin-tablets-recalled/UPI-35221277298047/. The U.S. Food and Drug Administration announced the recall of Pro-Pet-brand daily vitamin supplement tablets for dogs because of possible salmonella contamination. The recalled product was sold nationally in 100-count white plastic bottles with a light blue label. Laboratory testing indicated only one lot was contaminated with salmonella bacteria, but the company said it was recalling all unexpired lots of the product "out of an abundance of caution." Pets with salmonella infections may be lethargic and have diarrhea or bloody diarrhea, fever and vomiting, the FDA said. Some pets will have only decreased appetite, fever, and abdominal pain. Infected but otherwise healthy pets can be carriers and infect other animals and humans. Consumers can contact the company for additional information at 800-645-5154, Extension 3.

Natural Balance Pet Foods announces a voluntary recall of Natural Balance Sweet Potato and Chicken dry food, date best used by June 17, 2011 in 5# and 28# bags, due to possible salmonella.
